The News.

We have foreign news to the 20th ult., by the steamer *Indian*. The tone of the Market reports indicate a better feeling in the Breadstuffs Market of England. There is nothing especially important in the steamer's news in a political point of view. They do not appear to have given up all hopes of making the Atlantic Cable work, at the other side of the ocean, for preparations were being made for laying the shore end. The London Money Market continues easy and rates generally unchanged. A series of insurrections amongst the peasants of Russia had occurred. A terrible conflagration in a town in Russia had consumed upward of 500 houses.

CARL SCHURZ addressed a large meeting of Germans, in the Ninth Ward, last night. Mr. SCHURZ is doing a good work for the Republican cause.

Our columns are almost exclusively occupied with election matters; but to-day ends the present struggle, and hereafter we shall be able to give more attention to matters of general interest.

The telegraph brings us, this morning, the President's Fillibuster Proclamation.

The Eastern Breadstuffs Markets are reported firm; prices of flour and wheat unchanged.— Our own Market was firm yesterday, though not active.

The weather continues cloudy and unpleasant, as is usually the case about election time. Yesterday afternoon it became quite cool, and last evening we had a little flurry of a snow storm.

FIFTY DOLLARS REWARD!

LOOK OUT FOR ILLEGAL VOTES!!

A Reward of FIFTY DOLLARS is offered by responsible parties in this city, for the detection of any and every ILLEGAL VOTER, who may offer his vote at the Polls *to-day*. CHALLENGERS, POLICEMEN and friends of Fair Play! Watch the Polls, to day, and see that every ILLEGAL VOTER is arrested on the spot and dealt with as the Law directs. The *penalty* for Illegal Voting is a *fine* and *imprisonment for* ONE YEAR *in the* STATE PRISON. Let those who would *violate* the purity of the BALLOT-BOX—be they actors or instigators—be taken in hand at once!

PROTECTION TO LAKE COMMERCE

All Hands on Deck!

SAILORS! SHIP OWNERS! MERCHANTS AND FORWARDERS! Read the sound *plank* in the REPUBLICAN Platform, relative to Appropriations for RIVER AND HARBOR IMPROVEMENTS and the PROTECTION OF OUR LAKE COMMERCE:

Resolved, That appropriations by Congress for the improvement of rivers and harbors, of a national character, required for the accommodation and security of our existing commerce, are authorized by the Constitution, and ☞ *justified by the obligation of Government to protect the lives and property of its citizens.*

Opposed to this rightful and beneficent resolution is the doctrine and *practice* of the Democratic Party and the Buchanan Administration, that Congress has *no right to make such appropriations.*

ELECTORS OF MILWAUKEE! If you believe, with the Republican Party, that Congress *has* the right and owes it as a *duty*, to PROTECT OUR LAKE COMMERCE, vote for the REPUBLICAN Candidate, JOHN F. POTTER!

LOOK TO THE LEGISLATURE!

Let none but HONEST and CAPABLE men be sent to the Legislature from this city. Questions of the first importance to all our interests will come before that body. Do not vote for *mere ciphers*, or blind partisans, or reckless demagogues, but vote for men to whom you would be willing to confide your own business. Compare the nominees for the Senate and Assembly on the Republican and People's ticket with the candidates of the so-called Democracy. Vote for the BEST MEN!

LOOK TO THE LEGISLATURE!

ACTION! ACTION! ACTION!

The Polls are no place for *discussion*. Election Day is the day for ACTION. Disputes and wrangling in the vicinity of the Polls, only tend to breed disturbances. Avoid them, therefore and employ your time and efforts more profitably in *getting up the Voters*, and supplying them with Tickets. See that all have *"fair play;"* and that none are bullied, or deceived into *voting the wrong ticket*. Work quietly, but work industriously, for THE GOOD CAUSE!

VOTE EARLY!

It is *all important* to success that the bulk of the REPUBLICAN vote should be polled *before noon*. Be on hand, therefore, *early*, and having voted yourself go, and look up such of your friends and neighbors as have not yet voted.— Urge them all to come to the Polls. Let no vote be lost.

VOTE EARLY!

ATTEND THE POLLS!

At every Poll in our city, *to-day*, there should be some fifteen or twenty active men, well supplied with BALLOTS, who will see that Voters, as they come up, are furnished with the *right Ticket*. Much can be accomplished in this way, and every man's *influence* tells even more than his VOTE.

ATTEND THE POLLS!

VOTERS OF THE FIRST AND SEVENTH WARDS!

BEWARE of tickets of ALANSON SWEET, for Member of Assembly, with NO CANDIDATE FOR SENATOR.

VOTE FOR CICERO COMSTOCK!

Committee Men, be on hand Early!

THE POLLS open at *nine* o'clock this morning. COMMITTEE MEN should be on hand at a *quarter before nine*; provided with a full supply of BALLOTS, and *prepared to stand by and work all day!* The signs are all auspicious. A good day's work to-day, will ensure a glorious victory!

BE ON HAND EARLY!!!

Illegal Voters Remember

That the police force has been largely increased within the past two days, and in addition to the numerous Vigilance Committees, who will GUARD THE POLLS to-day, there will be a STRONG DETACHMENT OF POLICE at each voting place in the city, so that fraudulent voters will stand no chance to escape detection. Let imported voting machines bear this in mind!

Buchanan and the Ballot-Box.

If there is anything President BUCHANAN seems to entertain a special hatred of, it is the Ballot Box. He makes it his business to oppose its dictates. When TOUCEY was condemned through the Ballot-Box in Connecticut, he called him to his Cabinet. So he did CASS when thrown overboard by the Ballot-Box of Michigan. He was opposed to the Leavenworth Constitution, because it was submitted to the Ballot-Box, and in favor of the Lecompton one because it wasn't. He has filled the departments, the Post-Offices, the Custom-Houses, and the Consulates, with "played-out" Politicians, disabled at the Polls. On J. GLANCY JONES, who has received a more emphatic condemnation through the Ballot-Box than often falls to the lot of man, he has just conferred the highest Diplomatic place that was vacant. That the People are in favor of anything, appears to be sufficient reason to him for opposing it.

Recent Elections, and coming ones, however, indicate that the feeling is reciprocal. Strong as is Mr. BUCHANAN's opposition to the Ballot-Box, it is not so strong as the Ballot-Box's opposition to him. A fresh evidence of this will be given *to day*

DESPERATE RESORTS OF THE ADMINISTRATION. —In Pennsylvania, the Administration spent money by thousands of dollars to elect the Lecompton candidate. Its whole patronage was used, and its whole power exerted to this end, and no expedient was found too disreputable.— In FLORENCE's district the regular vote was overwhelmed by an imported army of office-holders and employees. Ordinarily there are 500 men employed in the Navy Yard. But on Election Day, it is stated, there were 2,800, the rest being brought there in order to vote the Democratic ticket! The purchase of votes is bad enough in any shape, but the crime is invested with double villainy, when, as in this case, the People's own money is used to thwart the legitimate expression of their will!

Intense Excitement in Washington County!

Another Prize Fight—"Charley Latherbee" vs. "Squatter Sovereignty"—"Squatter" Wins the Fight!!!

TO THE EDITOR OF THE SENTINEL:

I hasten to inform you of another prize fight, for $3,000 (per annum) a side, which came off in this Village on Saturday last, between a *Horicon* "Plug Ugly," by the name of CHARLEY LATHERBEE, and a notorious, western bully, known all over the country as SQUATTER SOVEREIGNTY.— The fight took place on a secluded plat of ground, just north of the village of Hartford, and is known to the inhabitants round about as "Canada."

At twenty-eight minutes before eleven, the combatants entered the ring, surrounded by some forty or fifty of the friends of each party, and a few disinterested spectators, *who didn't care which whipped*. CHARLEY was backed heavily by "Corruption Bonds," his trainer, and there were also large sums bet on him by "Dred Scott," of Missouri, "Jack Frost," of this village, and "Brick Pummell," a notorious character who edits a sporting sheet, called "the Horrible *Argus*." "Old Buck," a celebrated Pennsylvania sportsman, had promised to be present and back CHARLEY to a large amount, but he was suddenly summoned, by telegraph, to go home to Berks County, as there was a violent and dangerous sickness in his family (?) SQUATTER's principal backer and second, was a celebrated bruiser from Illinois, and known to the sporting circles, as the *little Giant, little Dug*, &c.

"CHARLEY" is a "native American," about forty years of age, though severe training makes him look much older; is a short, thick set man, with "big whiskers," which were very bushy when he was only sixteen years old, so that he voted the Democratic ticket at that tender age. During his training he has eaten nothing but sour crout, which has been sent to him in large quantities from Washington County, with a glass of lager beer that don't intoxicate, to wash it down, and an occasional bull head, taken from the Horicon Pond, as a desert. The chief attraction of his dress on this occasion was a *pair of very heavy wooden shoes!!*

"SQUATTER SOVEREIGNTY" is much younger— in fact, a mere youth, but stands very tall in his boots, with an extraordinary reach of arm, and a grip in his hand like grim death! He was born after the death of his father, near the north line of Missouri. His father was also an able fighter, and was well-known to the shoulder-hitters as "MISSOURI COMPROMISE." The old man was put to death in Washington City in the most cruel and brutal manner by a band of bullies and ruffians; and, strange as it may seem, "LITTLE DUG," the very man who instigated the murder of the father, now appears as the chief backer and friend of the son! All things being ready, time was called, and the fight commenced.

First Round—Both men came to the scratch in fine style, "CHARLEY" looking a little nervous. The sparring continued for several minutes according to the strictest rules of science, when "CHARLEY" made a feint called "*Know-Nothingism*," but the crowd instantly cried out "foul."— "SQUATTER" caught him with a tremendous left hand blow on the nose—drawing the first blood. They clinched, and fell heavily, CHARLEY under.

Second Round—Terrible fighting; SQUATTER getting a tremendous blow under the fifth rib, known in the parlance of the ring as a "Dred Scott thump." He reciprocated the compliment by planting one of his heaviest hits on "CHARLEY's" cheek, knocking off a large portion of that "big whisker" and getting the first knock down. Great cheering among SQUATTER's friends and offers of two to one on his head, but no takers.

Third Round—CHARLEY very much confused and evidently failing fast. Mutters something incoherently about ABE LINCOLN, TOM CORWIN, and ELI THAYER. Catching the toe of his wooden shoe in a knot hole in the Republican Platform, he falls heavily, SQUATTER striking him a severe blow on the neck as he goes down.

Fourth Round—CHARLEY very faint and his friends despairing. Carried to the scratch, when a couple of Post Masters attempt a little encouragement by the way of applause, but it is too faint to be of any use, and those of the contrary part answer it with a yell of defiance. The crowing of a Shanghai cock outside the ring diverts his attention for a moment, when SQUATTER gives him a terrible right hand blow between the eyes and falls, fainting into the arms of his second. He is instantly carried to his corner where all efforts to revive him are in vain, and his second throws up a *cabbage head* in token of defeat, and the crowd respond—*nix-cum-arouse*. CHARLEY has been removed to Horicon, where he *lies* (?) in very critical condition and the people say he cannot last longer than to-morrow night. SOUR CROUT.

Hartford, Nov. 1, 1858.

TRIAL OF ONE OF LATTA'S NEW STEAM FIRE ENGINES.—We learn from the Cincinnati papers of October 25th, that at a trial of LATTA's small last class steam engine "Eclipse," which he is about to take East to astonish the old fogies, the following were the results: Fire lighted at half-past ten; water thrown in 8 minutes 35 seconds; threw the water 100 feet in 9 minutes 45 seconds; threw water 150 feet in 10 minutes and 45 seconds; threw water 200 feet in 13 minutes 45 seconds. Best throw 247 feet, all through 1¼ nozzle. Second trial threw 205 feet once, and 203 feet twice, through 1¼ nozzle. Third time threw two streams through a ⅞ nozzle 184 feet. The unusually long time in raising steam was attributed to the heavy fog prevailing.

To the Electors of Milwaukee County.

At a People's Convention held in the Court House, on the 20th inst., for the purpose of nominating County Officers, I was nominated on the second formal ballot for County Treasurer, by a decisive majority over all my competitors. Almost all the different Wards and Towns were represented by unbought delegates of various nationalities.

Since then, some of the candidates there nominated, have, for reasons best known to themselves, declined to run. I am, however, still a candidate, notwithstanding, the industrious reports circulated to the contrary and the base, invidious and shameless attack from a certain quarter. If I am elected, fellow-citizens, I shall attend to the office myself, and discharge the duties faithfully, honestly, and, I trust, to the satisfaction of the citizens of this County.

As it seems to be the recommendable custom now, to come before the people in a manly, open and above board way, I may as well state here, that I have lived in this country since 1839, am a resident of this city for the last twelve years, during all which time I never asked for an office in the gift of the people. Most of the Electors in this City and County know me, and by their decision I shall cheerfully abide. J. WM. BIELFIELD.

Milwaukee, Oct. 30, '58. nov1h275d2t.

Independent Candidate for County Treasurer.

HAVING been requested by many citizens not approving of the nominations already made, to become a Candidate for **County Treasurer** at the approaching election, I hereby announce myself as a Candidate for said office, and respectfully request my fellow citizens, who have known me for the last 21 years, to cast their votes in my favor, if they deem me worthy of their support.

oct30h868d8t MATHIAS STIEN.

To the Electors of Milwaukee Co.

I HEREBY announce myself as an independent candidate for election to the office of County Treasurer, and if elected will perform the duties of the office to the best of my ability, and I herewith earnestly solicit your patronage. TIMOTHY O'ARNEY.

Milwaukee, Oct. 20, 1858. oct21-h834dtf

To the Electors of Milwaukee.

I RESPECTFULLY submit my name to the Electors of the City and County of Milwaukee, as an Independent Candidate for Clerk of the Board of Supervisors, at the ensuing election.

In accordance with an excellent custom, Mayor PRENTISS has issued a Proclamation, inviting all keepers of Lager Beer and Drinking Saloons, *to close their doors* to-day, while the Election is in progress. We hope that this proper and reasonable request will be generally complied with.

A Capital Nomination.

Capt. WILLIAM CROSS, of the clipper bark *Badger State*, is the People's candidate for Assemblyman in the Fifth and Eighth Wards.— *Everybody* knows Capt. CROSS to be just one of the best fellows in this city; honest, intelligent, capable, and faithful. He deserves the heartiest efforts of *all* his friends—and they are legions— in his behalf. His opponent is Mr. P. V. DEUSTER, of the *Seebote*. If all signs do not fail, Captain CROSS will give him a *dusting* at the polls. Turn out, every man, and vote for the *true-blue skipper* of the *Badger State!*

ECLECTIC MAGAZINE FOR NOVEMBER.—We are indebted to HERMAN & WHITNEY, 175 East Water Street, for an early copy of the Eclectic Magazine for November. It contains a portrait of W. H. PRESCOTT, the American Historian, and a great variety of interesting matter.

THE WISCONSIN FRUIT GROWER'S ASSOCIATION. —This Association meets in this city on the 16th inst., and will continue in session for two days. It will be an interesting gathering for those engaged in fruit growing.

THIRD WARD ASSEMBLYMAN.—The Independent voters of the Third Ward should not forget that THOS. H. EVISTON is their candidate for Assemblyman.

Carl Schurz in the Ninth Ward—The Germans will not Vote for Slavery.

The eloquent CARL SCHURZ addressed a rousing meeting of his countrymen at RIMMELL's Hall, in the Ninth Ward, last night. Although no notice of the meeting was given until yesterday afternoon, yet a very large audience assembled at the hall, principally Germans, and the most encouraging enthusiasm was manifested, and the remarks of the distinguished speaker were received with loud tokens of satisfaction.

Mr. SCHURZ made a long and interesting speech in the German language, which was listened to with the deepest interest, and at the close the patriotic and eloquent speaker was heartily cheered. Mr. SCHURZ's speech will tell at the polls in the Sixth and Ninth Wards to-day, and more than counteract the pettifogging of BERIAH BROWN, who was begging votes at the same place the previous evening. Our German fellow citizens never were more thoroughly aroused than during the present campaign, and appearances indicate that they will do their part at the polls to-day, towards rebuking the corruption and villainy which has characterized the present Democratic Administration.

The Germans are naturally a liberty-loving people, and there are but few of them who will willingly lend their aid to the extension of Slavery and the degradation of Free Labor. The impression which Mr. SCHURZ has made upon his countrymen in this city cannot but result favorably, and were he to continue his labors here, it would not be long before our German population would be completely revolutionized.

Wm. H. Wright for Register of Deeds.

I beg leave to decline the contest for Register of Deeds for Milwaukee County, and understanding that Mr. WM. H. WRIGHT is a candidate for that office, respectfully invite my friends to vote for him. CHS. A. G. PRITSCH.

It will be perceived that Mr. WILLIAM H. WRIGHT is the People's Candidate for Register of Deeds. There is no man in the County better qualified for such an office than Mr. WRIGHT.

Dr. Nichols' Lectures.

In another column, it will be seen that Dr. T. L. NICHOLS, widely known in connection with the agitation of *spiritual* and social questions, proposes to deliver a series of lectures combating his former theories,—to commence on Wednesday evening, 3d inst., at half-past seven o'clock, at Young's Hall. The Doctor's conversion and reception into the Catholic Church, will be borne in mind by those acquainted with him personally, or by reputation. Those who sympathized in his former opinions, will be apt to take an interest in hearing his reasons for so radical a change of views; this, combined with his fame as a lecturer, we imagine will bring together a large audience to hear his opening lecture, which, we understand, will be devoted to a personal narrative, so far as it has a bearing on the various subjects involved in the course.

Early Closing of Stores—A Good Example.

We, the undersigned, Booksellers and Stationers, do hereby agree to close our respective places of business at 7 o'clock P. M., from date until the 1st of April next, holiday season excepted.

HERMAN & WHITNEY,
S. C. WEST,
STRICKLAND & CO.,
H. NIEDECKEN & CO.,
A. WHITTEMORE & CO.

This is an example worthy of emulation, and we hope that our merchants generally will follow it.

INCREASE OF THE POLICE FORCE.—The Chief of Police, with the approval of the Mayor, has increased the Police force to 24 men. The new policemen are THEODORE BUECHNER, for the 6th and 9th Wards, WM. SEEGER, for the 2d Ward. JOHN T. STRIKER, for the 3d Ward, ENOCH JEWETT, for the 2d Ward, and HENRY THEOBALD for the 7th Ward; in all five, two of whom are Americans, and three Germans. Chief BECK was convinced that to protect the public peace in all parts of the city, and to render the force effective, it was necessary to increase it to this number.

This will enable him to have a man stationed at all the Railway depots, at the arrival and departure of trains, and also at Spring street and Walker's Point bridges, as well as to increase the night force in the 2d, 3d and 4th Wards, which was absolutely necessary. We are confident that Mr. BECK had the best interests of the public in mind in asking for an increase of the police force. The new policemen, as far as we know, are men of good habits, and we doubt not but that they will be efficient officers.

ARRESTS FOR THE MONTH OF OCTOBER.—The number of arrests made by the Police of this City, during the month just closed, 120, is less than for any preceding month within a year.— We are indebted to Policeman RODER, for the following list which exhibits the number of arrests and offences for which the parties were arrested:

For disorderly conduct,	50
" Drunkenness,	32
" Assault and battery,	9
" Grand larceny,	8
" Petty "	5
" Horse stealing,	2
" Malicious trespass,	1
" Threatening to kill,	1
" Resisting an officer,	1
" Seduction,	1
" Maliciously destroying property,	1
" Insanity,	1
" Various other petty offences,	7
Total	120

YOUNG MEN'S CHRISTIAN ASSOCIATION.—The second regular monthly meeting of this Association will be held *this* evening, Nov. 2d, at 7½ o'clock, at their rooms in Young's new block, corner Main and Wisconsin streets. An essay by one of the members will be read, followed by a discussion. Proposals for membership will be received. A young men's union prayer meeting is held at the same place, on Friday evening of each week, commencing at 8½ o'clock. All are invited to attend. The Reading Room is now open daily from 5 o'clock P. M. to 10 P. M. All are welcome.

BLACKWOOD FOR OCTOBER.—We are indebted to LEONARD SCOTT & CO, 79 Fulton street, New York, for an early copy of Blackwood for October. The contents are:

1. "What will he do with it?"—Part 17.
2. Animal Heat.
3. A Plea for Sham.
4. The Light on the Hearth.—Part 2.
5. The Atlantic Wedding-Ring.
6. Ballad Poetry of Ireland and Scotland.
5. Lord Clyde's Campaign in India.

Blackwood is only $3,00 a year, and cheap at that.

PEOPLE'S MEETING.—At a meeting held at Baumel's Hall, Nov. 1st. 1858, George Burnham was called to the chair, A. C. Jones, Secretary. Motion for formal ballot for Representative, carried. Whole number of votes cast for Wm. S. Cross, who was unanimously nominated.

Resolved, That the proceedings of this meeting be published in all the city papers.

GEO. BURNHAM, Ch'n.
A. C. JONES, Sec.

THE BALL LAST NIGHT.—The annual ball of the Milwaukee Ladies Society, for the benefit of the English and German Academy, took place at Albany Hall last night. We are unable to say how the affair passed off, or how many were present, as the manager neglected extending us the usual courtesy. We presume, however, it was well attended as have all the previous parties of the Ladies Society.

Bar Meeting.

A meeting of the Bar was held at the Court House yesterday, at 2 P. M., to take some action with reference to the death of JOSEPH E. LATHROP. Mr. ARNOLD said, in taking the chair, that death had again assailed the ranks of the profession. Not now, however, with circumstances of terror, or unexpectedness. Mr. LATHROP had practiced law in the State of New York for something like thirty years. He then removed to Wisconsin, and practiced here for eight years, when he returned for a brief period to the East, but had resided in Milwaukee for the past one or two years, not, however, in active employment in his profession, owing to infirmity. Having known him, and been associated with him, he had pleasure in saying that he was a sound lawyer, had intelligence, fidelity and urbanity. He had died at the age of seventy,—having witnessed many changes and many mutations of the law.

Judge HUBBELL had known Mr. LATHROP for twenty-five years. He was respected for his sound attainments in the law. He had a principle of fidelity to his client, which the young, as well as many old, lawyers would do well to imitate. He possessed a high appreciation of justice, which, properly understood, is the very essence of the law. He regretted that the deceased's age and ill health had prevented his becoming better known to the gentlemen of the bar. He moved the appointment of a committee of three to report suitable resolutions, at this, or a subsequent, meeting. The Chair appointed as such committee Judge HUBBELL, Mr. PALMER and Mr. HAMILTON. The subjoined resolutions were afterwards reported:

Resolved, That we have heard with regret of the decease of our professional brother, JOSEPH B. LATHROP, Esq. That his varied legal attainments, his laborious industry, his urbanity of manners and kindness of heart, have justly won for him the esteem of the Bar, and the community.

Resolved, That we tender our condolence to the family of the deceased, that we will attend his funeral, and wear the usual badge of mourning.

Resolved, That the committee on resolutions be a committee to make the necessary arrangements for the funeral of the deceased.

Resolved, That a copy of these resolutions be sent to the family of the deceased, and be published in the newspapers.

And the committee have designated the following gentlemen to act as pall bearers: J. E. ARNOLD, LEVI HUBBELL, G. A. STARKWEATHER, JAS. ABRAMS, J. H. PAINE and ALBERT SMITH

THE M. L. G.—BRICK POMEROY, of the Horicon *Argus*, who accompanied the late excursion party to La Crosse and St. Paul, pays the following handsome compliment to the M. L. G:

> And in this connection we cannot refrain from speaking of the Milwaukee Light Guard. In full dress, with their clean, bright uniforms, bear skin caps, and true soldierly, gentlemanly deportment, they elicited the highest praise all along the route. And their conduct was such as to warrant it. Gentlemen, every one of them, well-drilled, proud of themselves and of their captain, whose heart is larger than the bear skin cap he wears—of their officers and of the city whose name they bear, they stand out in bold relief as *the* military company of the State. To belong to such a company is indeed an honor, and one that a man may well feel proud of.— May they all live ten thousand years and enjoy themselves ever as they did on the occasion of their trip to St. Paul.

FARM TO LET.—JOHN S. FILLMORE has a good Farm, with House, Barn, &c., in the Town of Franklin, to let on very easy terms.

LATEST NEWS!

BY MAGNETIC TELEGRAPH

Later from Europe—Arrival of the Indian.

RIVER DU LOUPE, Nov. 1.

The steamship Indian, from Liverpool, at 9 o'clock on the morning of the 20th ult., has passed this point on her way to Quebec.

The American ship Pepperell, Capt. Dixey, from New York for Bordeaux, reports having passed the Austria while on fire and saw a ship alongside.

The steamship Fulton was to leave Southampton for New York on the same day as the Indian.

GREAT BRITAIN.—The English news is quite unimportant. Another demonstration against the introduction of the confessional in the church of England, had taken place at London. Defensive works of a very formidable nature had been completed at Fort Matilda, on the Clyde. The London *Morning Chronicle* says that the Galway line of steamers will certainly get a government mail subsidy equal to that paid the Cunarders.

A letter from Valentia says that the shore end of the Atlantic Cable was about to be laid, and that all the staff at Valentia had got notice to leave the Company on the 15th of November, unless something favorable turns up.

Parliament has been further prorogued until nominally the 18th of November.

The French officer who threatened to shoot the Newcastle editor for libeling his father, the French Consul, had been fined five pounds.

The London Money Market continued very easy, 2½ per cent. being the minimum rate of discount. The Atlantic Telegraph shares quoted 300 to 330 pounds. American securities were dull, with but little change in rates.

Wm. Arnold & Sons, hemp manufacturers, London, had failed, liabilities small.

The very latest by Telegraph, London, Oct. 20.—The Bombay mails, news by which has already been telegraphed, reached London this morning.

The daily *News'* city article says the funds opened flatly on Tuesday, and during the greater part of the day a reduction of one-eighth was quoted. At the close there was more firmness at full Monday's rates. The share market was flat, but closed firmer. £98,000 in gold was sent to the bank during the day. Gold remittances were being made to the Continent. Owing to the less satisfactory state of exchange, the discount market remained easy.

The *Times'* city article says that on the stock exchange, money was procurable at 1a2 per cent, and in open market the general minimum rate was 2 per cent.

RUSSIA.—The disturbances in the eastern provinces of Russia were more serious than at first represented, and in the southern provinces the insurrection of the peasants had assumed a serious character.

A gigantic fraud upon the government had monopolized attention. The government had paid 12,000,000 of rouples overcharge for constructing the St Petersburg and Moscow R. R., the contractors having charged for a much longer line than was laid down. The rolling stock was furnished by an American Company according to the distance, involving a fearful overcharge on this head; also many influential persons are compromised by the transaction. The matter is expected to be hushed up. Tremendous fires are reported to have occurred at Oreal and 500 buildings are said to have been destroyed.

CHINA.—The *Times* complains that the part played by Mr. Reed, the American Commissioner to China, was worthy of his countrymen.— When the English and French were demanding natural rights for all mankind, Mr. Reed begged a treaty for himself and his nation. The treaty contains no provision for free transit through the country, for the opening of no new ports, and no provision for an American tariff.

FRANCE.—A difficulty has arisen between France and Brazil, in regard to the property of French subjects dying in Brazil. The French Consul had struck his flag at Pernambuco, and appealed to his Government.

The French Ambassador at Rome had, by direction of the Emperor, made a strong representation to the Pope, against the recent abduction by the Catholics of the Jewish child at Mortura.

The Paris flour market was firmer; wheat dull; the provincial corn market unchanged. Manufacturers were well employed, but the foreign orders were not so extensive as in former years. A slight rise in spirits is recorded.

It was reported that the French Government had refused to permit England to act as arbitrator or mediator between France and Portugal.

The Bourse was declining; the 3 per cents opened on the 19th at 73 francs 95 cents, and closed at closed at 73 francs 10 cents.

PORTUGAL.—The two French men-of-war remained at Lisbon. Two British vessels had also arrived in the Tagus.

HANOVER.—In consequence of the earnest representations of the British Government, with reference to the abolition of the State Dues, Hanover had decided to send an Agent to London, with full powers to negotiate the affair.

PRUSSIA.—It was said that the Prince Regent had decided on proclaiming a political amnesty to all persons compromised since the event of 1848.

AUSTRIA.—Reports were current that Count Buol had resigned the Ministry of Foreign Affairs and would be succeeded by Baron Bach, the present Minister of the Interior.

MOROCCO.—A telegraph from Algiers says the reported assassination of the two Vice Consuls is believed to be pure fiction. On the other hand the Paris journals say the massacre is confirmed. One being certainly the French vice Consul, but that it is doubtful whether the other is English or Spanish.

LIVERPOOL MARKET.—Breadstuffs—Messrs. Richardson, Spence & Co. quote flour dull but steady; western canal 20a21s; Ohio 22sa24s6d; wheat firm on the best grades, red western 5s2d a5s6d white do 6.4da6s 5d; white southern 7s a7s3d; corn dull and quotation nominal, yellow 31sa34s; white 37s6da34s6d.

Provisions—Beef dull; pork heavy and quotations maintained with difficulty; bacon dull; lard also dull, 58s; tallow quiet.

Produce Market—Sugar firm; coffee steady.

London Markets—Breadstuffs firm, with slight advances on prime grades of English wheat; sugar firm, at an advance of 6d; coffee firm; tea an increased demand; sound Congou sells at 11¼d; rice steady; tallow firm.

Consols 98¼a98⅜; money 98⅜ for account.

President Buchanan's Fillibuster Proclamation.

WASHINGTON, Oct. 31.

By JAMES BUCHANAN, President of the United States: *A Proclamation.*

Whereas, Information has reached me from sources which I cannot disregard, that certain persons, in violation of the neutrality laws of the United States, are making a third attempt to set on foot a military expedition within their territory against Nicaragua, a foreign State, with which they are at peace. In order to raise money for equipping and maintaining this expedition, persons connected, knowing as I have reason to believe, have issued and sold bonds and other contracts pledging the public lands of Nicaragua, and the transit route through its territory, as a security for their redemption and fulfilment. The hostile design of this expedition is rendered manifest by the fact that their bonds and contracts can be of no possible value to their holders, unless the present government of Nicaragua shall be overthrown by force.

Besides, the Envoy Extraordinary and Minister Plenipotentiary of that government in the United States, has issued a notice in pursuance of his instructions, dated the 27th instant, forbidding the citizens or subjects of any nation, except passengers intending to proceed to Nicaragua over the transit route, from ocean to ocean, to enter its territory without a regular passport signed by the proper minister or Consular-General of the Republic, resident of the country from whence they shall have departed.— Such persons, with this exception, will be stopped and compelled to return by the same conveyance that took them to the country. From these circumstances, the inference is irresistible, that persons engaged in this expedition will leave the United States with hostile purposes against Nicaragua; they cannot, under the guise which they have assumed, that they are peaceful emigrants, conceal their real intentions, and especially when they know in advance that their landing will be resisted, and can only be accomplished by an overpowering force.

This expedient was successfully resorted to previous to the last expedition, and the vessel on which those composing it were conveyed to Nicaragua, obtained a clearance from the Collector of the port of Mobile. Although after careful examination, no arms or munitions of war were discovered, yet when they arrived in Nicaragua they were found to be armed and equipped, and immediately commenced hostilities. The leaders of the former illegal expeditions of the same character, have openly said that their intention was to renew hostilities against Nicaragua. One of them, who has already been expelled twice from Nicaragua, has invited through the public newspapers, American citizens to emigrate to that Republic, and has designated Mobile as the place of rendezvous and departure, and San Juan del Norte as the port to which they are bound.

The person who has renounced his allegiance to the United States, and claims to be President of Nicaragua, has given notice to the collector of the port of Mobile, that 200 or 300 of these emigrants will be prepared to embark from that port about the middle of November. For these, and other good reasons, and for the purpose of saving American citizens who have been honestly deluded into the belief that they are about to proceed to Nicaragua as peaceful emigrants, if any such there be, from the disastrous consequences to which they will be exposed, I, James Buchanan, President of the United States, have thought it fit to issue this my Proclamation, enjoining upon all officers of the government, civil and military, in their respective spheres, to be vigilant, active, and faithful, in suppressing these illegal enterprises, and in carrying out their standing instructions to that effect, and exhorting all good citizens, by their respect for the laws, and their regard for the peace and welfare of the country, to aid the efforts of the public authorities in the discharge of their duties. In testimony whereof I have hereunto set my hand, and caused the seal of the United States to be affixed to these presents. Done at the City of Washington this thirtieth day of October, 1858, and of the Independence of the United States, the 83rd.

(Signed) JAMES BUCHANAN, Pres't.
LEWIS CASS, Sec. of State.

THE NEW YORK TRIBUNE,
1858-59.

THE New York Tribune, now more than seventeen years old, which was the first journal in the world that appeared regularly on an imperial eight-page sheet at so low a price as two cents, and which has attained the unparalleled aggregate of more than 200,000 subscriptions, respectfully solicits its share of the patronage which the Metropolitan Press is henceforth to receive.

Within the present year THE TRIBUNE has provided itself with a new and faster Press, at a cost of $30,000, merely that some of our subscribers may receive their papers a mail earlier than they otherwise might do. With correspondents at the most important points throughout the civilized world, and a staff of writers chosen from among the best in the country, we believe that even those who dislike the politics of our sheet concede to it frankness in avowing its convictions and ability in maintaining them. We appeal then, to those who believe that an increased circulation of THE TRIBUNE would conduce to the political, intellectual and moral well-being of the Republic, to aid us in effecting such increase.

THE DAILY TRIBUNE is printed on a large imperial sheet, and published every morning and evening, (Sundays excepted) and mailed to subscribers for six dollars per annum in advance; $3 for six months.

THE SEMI-WEEKLY TRIBUNE is published every TUESDAY and FRIDAY, and contains all the Editorials of the Daily, with the Cattle, Horse and General Markets reliably reported expressly for THE TRIBUNE; Foreign and Domestic Correspondence, and during the coming session of Congress it will contain a summary of Congressional doings with the more important speeches. It will also contain a first-class Novel, continued from number to number, thus affording a first-rate family newspaper to those who prefer not to take a Daily.

BALLOTS.

The names of all candidates voted for must be on ONE TICKET.

The vote for, or against Amendments to the Banking Law, must be on a separate ticket.

VOTE TO-DAY !

The hour of ACTION has arrived. TO-DAY the People of Milwaukee are called upon to sit in judgment upon their rulers. Every man to-day is called upon to exercise a Freeman's privilege and discharge a Freeman's duty, by giving in his vote. Our Institutions are founded on the rock of PUBLIC OPINION; but that opinion becomes of little worth, when large numbers of the People neglect the duty of *voting*. Let no reader of the *Sentinel* be absent from the Polls to day. Let every legal voter in the city exercise his Right of Suffrage, honestly, intelligently and independently.

VOTE TO-DAY.

VOTE FOR JOHN F. POTTER !

Let every Elector remember that, in voting for a Representative in Congress, TO-DAY, he gives his vote *for*, or *against* the Administration of JAMES BUCHANAN. That Administration is to be put upon its trial before the Grand Inquest of Wisconsin. BERIAH BROWN, the Democratic Candidate for Representative, appears *for the President*, and JOHN F. POTTER, for *the People*. The *facts* of the case are undisputed. The Administration stands arraigned for being *false* to FREEDOM, to the Rights of the North and to the Interests of the West, and faithful only to the behests of the South, and the institution of SLAVERY. Can such an Administration receive the support of the Free Men of Wisconsin? Will MILWAUKEE give aid and comfort to the Pro-Slavery party? Shall the People of this Congressional District turn their backs upon a tried and faithful Representative, and take up with a new and untried man?

JOHN F. POTTER, our nominee for Member of Congress, has *proved* his fitness for the post, his fidelity to principle and the interests and wishes of his constituents, and his unflinching determination to stand up for Northern Rights and Free Speech, against Southern aggression and attempted violence, on the floor of the House of Representatives. His record during the last session, is a clear one. As CARL SCHURZ eloquently and forcibly said, on Saturday night, "Every vote he gave, every word he uttered, *every blow he struck*, was for FREEDOM and the NORTH," and the enthusiastic cheers which rang through Market Hall showed how the crowded audience felt what Mr. SCHURZ said.

And shall this faithful Representative, who stood up thus manfully for the North, be struck down by the North? Will the Electors of Milwaukee prove *false* to the man who *proved true to them*? Can any man of spirit, who recalls the memorable scene in the House of Representatives, and remember how gallantly JOHN F. POTTER behaved on that occasion, withhold his vote for him *now*? If not, see that your BALLOTS *to-day*, contain, for Representative in Congress, the name of

JOHN F. POTTER.

THE FIFTH SENATE DISTRICT!

This District comprises the 1st, 2nd, 6th, 7th and 9th Wards, and the towns of Milwaukee and Granville. There are two candidates before the People, JACKSON HADLEY, the regular Democratic nominee, and CICERO COMSTOCK, the Independent candidate. Both are well known to the voters of the entire District; their antecedents, their associations, their sympathies and their *principles*. Every man concedes that CICERO COMSTOCK would make an honest, faithful, capable and influential Senator. He would do credit to Milwaukee. Voters of the Fifth Senate District! See to it that your ballots contain the name of CICERO COMSTOCK for Senator!

THE PROSPECT IS BRIGHT !

We hear excellent reports from all quarters of our State, and unless our informants are greatly deceived, WISCONSIN, to day, will prove *true to Freedom*. Our friends confidently claim *all three* Congressional Districts and a decisive majority in the Legislature. Let us in Milwaukee *do our whole duty* and ALL WILL BE WELL!

THIS CONGRESSIONAL DISTRICT.

Two years ago JOHN F. POTTER was elected Representative in this District by 308 majority; Milwaukee County giving 4,129 majority *against* him. If *a full and fair* vote is polled to-day, Milwaukee County will give *less than three thousand* majority against him, and his re-election is secured. See to it, friends, that JOHN F. POTTER loses no legal votes to day, and that BERIAH BROWN gets no *illegal* ones. *Make sure of this*, and VICTORY IS CERTAIN!

THE COUNTY TICKET.

The People vs. the Office Holders.

As Mr. FITZGERALD, the present incumbent of the County Treasurer's Office, has announced himself as a candidate for re-election, *all* of the present tenants of the County Offices are in the field for another term. In opposition to them a People's Ticket is presented bearing the following names:

For Sheriff.
A. J. LANGWORTHY.
For Register.
WILLIAM H. WRIGHT.
For Clerk of Supervisors.
F. W. HUNDHAUSEN.
For County Treasurer.
J. W. BIELFELD.
For Surveyor.
JOHN C. CROUNSE.

The above are all well-known, intelligent, respectable citizens and will make Honest and Capable Officers. Let all who are in favor of a *change* and REFORM in our County Offices, vote and work for them *to day*, and their election is certain!

WATCH THE POLLS !

Two years ago this city was inundated with Illegal Voters, brought in from the country to vote for JACKSON HADLEY, for Congress. A similar game will be attempted to-day, to elect JACKSON HADLEY to the Senate, and swell the majority for BERIAH BROWN. The game will succeed, *unless the Polls are closely Watched!* We therefore urgently appeal to our REPUBLICAN friends in *all* the Wards, to see that *resolute and intelligent men* are selected to act as CHALLENGERS at the several polls. *Let this work be thoroughly done.* Especially look out for illegal voters in the *Outer Wards*, the First, Ninth, Sixth and Eighth. WATCH THE POLLS!

FROM NINE O'CLOCK TILL SUNDOWN!

The polls to-day will be open at *nine* o'clock in the morning and close at SUNDOWN—45 minutes past *four* o'clock. VOTE EARLY, but if detained by unavoidable causes, be sure to vote before half-past 4 o'clock!

LOOK TO YOUR BALLOTS!

There will be a multiplicity of *Split Tickets* in circulation at the Polls to-day. This demands additional care from every voter to see that his ticket is *right* before he drops it into the Ballot-box. Once deposited, it cannot be recalled, nor any mistake corrected. Therefore,

LOOK TO YOUR BALLOTS!

BANK LAW AMENDMENTS!

A *separate* vote is to be taken to-day, upon the Amendments to the General Banking Law, proposed by the last Legislature. These Amendments are generally judicious and approved of by our Bankers and Business men. Votes in their favor should read, "*For* Amendments to the Bank Law," and those opposed, "*Against* Amendments to the Bank Law."

LABORERS AND MECHANICS READ

What a Democrat says of You.

Senator HAMMOND, of South Carolina, is out in favor of the Regular Democratic nominees for Congress, this fall. In fact, he has been at work all through the campaign, to secure the re-election of DOUGLAS, and the Success of the Democratic Party. Here is his opinion of the Laborers and Mechanics of Wisconsin, whom he now urges to vote for the Democratic candidates, as given in his speech last winter, in the United States Senate:

"The man who lives by daily labor, and who has put out his labor in the market and takes the best he can get for it, *in short, the whole class of your manual laborers and operatives at the North are SLAVES.* The difference between us, is *our slaves* are hired for life, and well compensated; while *your slaves* are hired by the day, not cared for, and scarcely compensated.— * * * *Our slaves are black*, of another and inferior race. * * * *Your slaves are white*, of your own race; you are brothers of one blood.

"*Slavery is the natural and normal condition of the laboring man—white* or black. The great evil of Northern free society is, that it is burdened with a *servile class of mechanics and laborers*, unfit for self-government, and yet clothed with the attributes and powers of citizens. *Master and Slave is a relation in society as necessary as Parent and Child, AND THE NORTHERN STATES WILL HAVE TO INTRODUCE IT. The theory of free government is a delusion.*"

"In all social systems, *there must be a class to do the mean duties, to perform the drudgery of life*—that is, a class requiring but a low order of intellect, and but little skill. Its requisites are vigor, docility, fidelity. Such a class you must have, or you would not have that other class, which leads to progress refinement and civilization. *It constitutes the very MUD-SILLS of society and political government; and you might as well attempt to build a house in the air, as to build either the one or the other except on the MUD-SILLS.* Fortunately for the South, she found a race adapted to that purpose to her hand. We use them for the purpose and call them *slaves*."

Read that, Freemen of Milwaukee, and say whether you can give your support to a man who is in political sympathy with the utterer of such infernally atrocious and Anti-Democratic sentiments.

An Outspoken German Opinion of Democracy.

At a Mass Meeting of the Germans of New York City, a few evenings since, GUSTAVE STRUVE, a prominent orator of that city, said, at the close of a very able speech, "*I DENOUNCE THE DEMOCRACY as the enemies of Freedom, the supporters of Slavery, the Foes of Free Labor, the treacherous friends of the Foreigner, whose aid they seek only to betray him!*" This was received with a thunder of long continued applause, and VICTOR PELZ followed in a speech of the same sentiment.

THE UTMOST "UNION AND HARMONY."—The *News*, of Sunday, gravely assures its readers that the Democratic party is entirely united on the regular nominations. Considering that the *News* itself has been active in the plot to *defeat* some of those nominations, and that its clique have conspired to "throw" JOHN D. DOLAN, the "regular" candidate for County Treasurer; and that there are no less than EIGHT "bolting" Democrats in the field for the various County and Legislative offices, the assertion of the *News* is received with some few grains of allowance.

ANOTHER MAN, SIR!—We are requested to state that the JOHN HANRAHAN, who is running for the Assembly, in the Granville and Milwaukee District, is *not* the gentleman of the same name and from the same District, who, on the *viva voce* vote for Clerk in the last House, voted so persistently, "HERE!" instead of for the regular Democratic nominee, notwithstanding the elaborate explanations of his colleague, Col. STEEVER.

ANTI-LECOMPTON DEMOCRATS IN NEW YORK.—The Albany *Evening Journal*, of October 28th, says:

The nomination of Philip Hamilton in the 5th District, makes the fourth Anti Lecompton Democrat in this State, who has been adopted as a Congressional candidate by the Republicans—the other three being Messrs. Haskin, Clark and Reynolds.

It is a significant coincidence that four Anti-Lecompton Democrats were also supported by Republicans in the recent Pennsylvania election—Hickman, Schwartz, Montgomery and Babbitt, and *every one of them was elected*.

Mr. Hamilton is a son of Alexander Hamilton. In his letter of acceptance he says:

I am an inexorable Anti-Lecompton Democrat, and if elected to Congress will exert my most energetic efforts against the English bill and the Lecompton policy, in whatever form either may be presented.

VOLUNTEER MILITARY CO.—We are requested to say that a meeting will be held at the office of Hull & McMillan to-morrow evening, to organize the La Crosse Light Guards.—*La Crosse Republican.*

Senator Seward on the Democratic and Republican Parties.

This gallant champion of Freedom made one of his noblest efforts at Rochester on Monday evening, concluding with the following eloquent and truthful exposition of the policy of the rival parties of the Union:

Few I think know better than I—the resources and the energies of the Democratic party, which is identical with the Slave Power. I do ample prestige to its traditional popularity. I know further—few I think know better than I—the disadvantages and difficulties of organizing a new political force like the Republican party, and the obstacles it must encounter in laboring without prestige and without patronage. But notwithstanding all this, I know that the Democratic party must go down, and the Republican party must rise into its place. The Democratic party derived its strength originally from its adoption of the principles of equal and exact justice to all men. So long as it practiced this principle faithfully, it was invulnerable. It became vulnerable when it renounced it, and since that time it has maintained itself, not by virtue of its own strength or even its traditional merits, but because there as yet had appeared in the political field no other party that had the conscience and the courage to take up and avow and practice the life inspiring principle which the Democratic party had surrendered. At last the Republican party has appeared. It avows now, as the Republican party of 1800 did, in one word, its faith and its works: "Equal and exact justice to all men." Even when it first entered the field, only half organized, it struck a blow which only just failed to secure complete and triumphant victory. In this, its second campaign, it has already won advantages which render that triumph now both easy and certain.

The secret of its assured success lies in that very characteristic, which in the mouth of scoffers constitutes its great and lasting imbecility and reproach. It lies in the fact that it is a party of one idea; but that idea is a noble one—an idea of equality—the equality of all men before human tribunals and human laws, as they all are equal before the Divine Tribunal and Divine Laws.

I know, and you know, that a revolution has begun. I know, and all the world knows, that revolutions never go backward. Twenty Senators and a hundred Representatives proclaim boldly in Congress to day, sentiments and opinions and principles of freedom which hardly so many men even in this free State dared to utter in their own homes twenty years ago. While the government of the United States, under the conduct of the Democratic party, has been all that time, surrendering one plain and castle after another to slavery, the people of the United States have been no less steadily and perseveringly gathering together the forces, with which to recover back again all the fields and all the castles which have been lost, and to confound and overthrow, by one decisive blow, the betrayers of the Constitution and of Freedom forever!

Correspondence of the New York Tribune.

From Pennsylvania.

SCRANTON, Luzerne County, Penn.,
Friday, Oct 22, 1858.

We have just had the greatest political celebration ever known in our coal and iron town—the occasion being our exultation on the success of the Anti-Administration ticket, and the election of Col. Scranton—the pioneer founder of this place—to Congress. A total revolution in politics has taken place; a change of some four or five thousand voters being involved in it—Accordingly, in view of this fact, our streets were thronged with our own immediate citizens and thousands from various parts of the Congressional District. It is conceded that the brilliancy and good taste of the display were excellent, as regards the civic and military parade.

We had, in fact, a parade which gentlemen from the large cities say would have done credit to any of them, both as regards style and numbers; besides, there was much that was picturesquely peculiar to our mining population. For example, our miners turned out riding on their mules, and wearing their mining capes, with burning lamps, looking like the genii of subterranean industry. There were, besides, a heartiness and vigor in our demonstrations, which may not be found in New York, where parades are of daily occurrence. All took part in it. The enthusiasm of our ladies was not the least interesting feature of the performance. The numerous banners were filled with inscriptions complimentary to our most eminent citizen, Col. Scranton, and in favor of the rights of labor and Free Soil and a Protective Tariff. As the procession passed Col. Scranton there were universal cheerings. In the afternoon there was an open-air mass meeting, which was addressed by W. H. Fry, esq., of your city, who treated at length the question of free labor and the Tariff. As to the Tariff, there is but one voice here.

Pennsylvania will not be betrayed on that point again. Mr Fry was followed by the Hon. Mr. Grow, who spoke especially of the career of Col. Scranton as the pioneer of the town bearing his name, and of its rapid rise from the wilderness; of its wealth and promise as a coal region, and as the iron manufacturing point of Northern Pennsylvania. In the evening there was another mass meeting, at which these gentlemen and various others spoke. A banquet at the hotel followed, given by Col. Scranton, where the enthusiasm for the candidate, for Free Soil and a protective Tariff was renewed.

It is remarkable that the Irish and German vote went en masse for Col. Scranton. The deceits of the Administration can no longer be practiced on our people—neither American born, nor naturalized.

MAILS DURING THE WINTER.—We have heretofore referred to the fact that J. C. Burbank, of this city, has received the contract to transport the United States mails, from Prairie du Chien to St. Paul during the winter. The Department has changed the eastern terminus of the route from Prairie du Chien to La Crosse and a contract by which Mr. Burbank agrees to transport the mails from that point to St. Paul in three days and a half has been signed.

We understand that Mr. Burbank is willing to reduce the schedule of time between La Crosse and St. Paul, to two days, thus bringing us thirty six hours nearer the east than contemplated by the Department. To secure this advantage for speed in the transmission of mails is a manifest advantage to every citizen—all that is necessary is prompt action on the part of our Senators and Representatives in Congress. If our delegation will unite in presenting to the Department the facts in the case, and the desire of our citizens, for greater speed in the transmission of the mails, we have no doubt the Postmaster General will accede to the reasonable request.

Last year, the time from St. Paul to La Crosse was about two days and a half. But during the fall, Mr. Burbank has spent $3,000 in improving the road between Winona and Wabashaw, and he has no doubt but that the distance can be made in forty-eight hours. He will agree we understand, to transport the mails this winter in that time for a slight increase in his present rate of compensation. We urge upon our business men to unite with the delegation in Congress from this State, in urging upon the Department the propriety and advantage of the change.—*St. Paul Pioneer, Oct. 29.*

DEATH OF HON. ALVAH HUNT.—This well known and estimable man died in New York of Paralysis, this morning. He had, for some time past, been greatly depressed by the hopeless illness of his wife, to whom he was devotedly attached. But it was not until very recently that his declining health awakened any alarm in the minds of his friends.

Mr. Hunt was a man of warm heart and genial social sympathies. Whether at his quiet home in Chenango county, or in Albany, in the discharge of his official duties of Senator or State Treasurer, he was always most happy when surrounded by a few personal friends around his own pleasant fire-side.

For a few years past he has resided in the city of New York, as the Treasurer of the Des Moines Railroad and Navigation Company, and in that relation, as in all others, he discharged the duties of his office with scrupulous exactness and integrity. His many remaining friends will drop a tear over his grave, and mourn with his bereaved companion, in this her hour of terrible affliction.—*Albany Evening Journal, Oct. 28.*

A SLAVER GAMBLED AWAY BY THE CAPTAIN.—It was announced in the *Courier* of the 23d inst., that the bark John Gilpin, which arrived at this port the day before from Loando, Africa, reported that the bark E. A. Rawlins, from New Orleans, was "run away with" from Loando, about July 26th, by the mate and crew, while the captain, Gilley, was on shore. We now learn that the bark E. A. Rawlins arrived at Savannah several weeks ago, without papers, under the charge of the mate, who averred that the captain, having dissipated the money provided for the purchase of a cargo of slaves, was about to sell the vessel, and he, therefore, took French leave, and brought her home. A Savannah correspondent of a New York paper gives a full account of this vessel. She was fitted out at Savannah, where she is owned, about a year since, for a slave voyage, having passed the scrutiny of the Collector. She got as far as Madeira, where the captain is said to have gambled away the money provided for the purchase of her cargo, and she returned to New Orleans "clean." Here she was fitted out a second time, and has made the second failure. The vessel now lies in Savannah.—*Charleston Courier.*

From the San Francisco Bulletin.

A Shameful Representative of the United States at Tahiti.

We have lately received repeated accounts of the disgraceful conduct of Henry Owner, U. S. Consul at Tahiti. We are informed that during almost the entire time he lies drunk in the streets there, and has been repeatedly picked up intoxicated, even in his consular uniform, and carried home. Lately, in one of his drunken sprees, he fell from a bridge into a gutter, and, striking his face upon a stone, was picked up not only dripping with filth, but with a broken nose. On another occasion some sailors found him in a taro patch and carried him to the calaboose as a "drunk." He however was not confined, as the French officer recognized in him the Consul of the United States!

It appears that Capt. Knowles, of the ship Wild Wave—whose recent loss in the South Seas was published in the *Bulletin* a few days ago—went to Owner for the purpose of having the usual protest in such cases noted and extended. Whenever a ship is lost, a copy of the log-book, or a statement of the circumstances of the loss, is made out and sworn to before the Consul, so that the insurance can be collected.—Owner, after receiving the log-book, retained it for six days, and, although repeatedly asked for the papers, refused to give them up. Capt. Knowles stated that he was going away on a vessel about to sail, but Owner said that he would keep him as long as he liked.

Some words occurred—Capt. Knowles demanding his paper and Owner refusing to give them up—when Owner made out a warrant for his arrest, but the Governor would not allow it to be served. Subsequently Captain Knowles received his papers, for which he was asked the modest price of $199 70—whereas the legal price of such documents ought not to have exceeded $10.

This Owner was one of those people, who, through the influence of corrupt politicians, have been appointed to responsible positions in foreign lands, and have brought disgrace upon the Government and people which they so shamefully *mis*-represent. Owner is a fair specimen of the creatures who receive the fulsome praise of the base and venal press of this city. It is enough to make an honest American hang his head in shame, to think that such men, and such papers, are put forward to mis-represent the true character of our republican institutions.

☞ A WONDERFUL REMEDY.—Mr. B. D. Woods, late Justice of the Peace, East Birmingham, Pa., says:

"I have been afflicted with a disease of the stomach, palpitation of the heart and nervous headache, for nearly fifteen years, and have spent some hundreds of dollars in order to effect a cure, but to no purpose. After having used three bottles of your Holland Bitters, I feel myself entirely restored. I can eat and sleep well, and attend to my business with pleasure, and would therefore recommend it to those who are similarly afflicted."

Correspondence of the New York Tribune.

Fiendish Conduct of a Pro-Slavery Mob—A Quaker Tarred and Feathered—Mob Law in Maryland.

PHILADELPHIA, Oct. 22, 1858.

Allow me to call your attention to a communication in the *North American*—a copy of which I herewith send you—and to state a few facts not therein mentioned.

James L. Bowers, the writer of the article, is a respectable and well-known citizen of Kent county, Md. He is connected by blood and marriage with some of the most respectable families of this city, of Baltimore and of his native Eastern Shore. His father was an Anti-Slavery man of the old school, and a member of the now defunct Kent County (Md.) Abolition Society—a man who spoke freely his opinions on Slavery and all other subjects. The son is like unto his father. He hates Slavery, and doesn't care who knows it; he sympathises with the oppressed, and is a subscriber of the *Tribune*. That such a man would be an eyesore to his slaveholding neighbors is a matter of course. It has been their effort for years to get rid of him. They have accused and traduced him, but he stood his ground. Five or six years ago they brought a suit against him for aiding in the escape of certain fugitive slaves, but he defeated them.

Last summer they decoyed him from his house, tarred and feathered him, and insulted and otherwise maltreated his wife, who had heroically followed him and vainly endeavored to save him from violence. Her situation at the time was such as to make an appeal on her own behalf, to which none but slaveholders could have been insensible. Having completed their outrage, they ordered him to leave the State. Instead of leaving, he went to Chester, the chief town of the County, and lodged complaint. The State's Attorney put Mr. Bowers under bonds to appear at the October term of Court, to testify for the Commonwealth. Last week he went down for that purpose. The slaveholders got wind of it and resolved to prevent it. They knew that conviction must follow anything like a fair trial, and that the penalty, if inflicted, would be "not less than three or more than ten years" in the Penitentiary. Mr. Bowers had many friends; the common people were in his favor; it wouldn't be safe to let the case come before the jury; he must be driven out of the State immediately, and at all risks. This was agreed upon last Saturday night in Chester, and on Monday morning it was put in execution. Mr. Bowers' statement in the *North American* is a brief and unvarnished outline of the manner in which it was done.

Mr. B. says that two-thirds of the people of Kent county are in his favor; that the middle and lower classes are, with few exceptions, on his side; and that it is the slaveholders only, who, though few, are powerful, are against him. They control the Press, and permit nothing to be published that does not favor their object.—They malign and traduce him at home, and misrepresent his character and case to the people abroad. Mr. B. doesn't intend to let the matter rest here. He is a man of courage and energy: he knows his rights, and means to maintain them. He is confident that the people of Maryland, that is, the non-slaveholders, who are the great majority, when they come to understand his case will make common cause and sustain him. I trust the result will justify his confidence. It really looks as though the non-slaveholders of the South were at last touched with a sense of their vassalage, and were making a move to throw off the yoke. When such men as Helps in North Carolina, Underwood in Virginia, John S. Fee in Kentucky, Blair in Missouri, and now Bowers in Maryland, take the field for Freedom, the Slave Power had better look to their sceptre. These be facts of great significance.

Respectfully yours, J. M. McK.

MOB LAW IN KENT COUNTY, MARYLAND.

The public may recollect that during the last summer James L. Bowers, a citizen of Maryland, residing near Chestertown, Kent county, was enticed by false pretences, late at night, by a mob, from his residence, and brutally tarred and feathered and otherwise injured; and that his wife, then in a delicate situation, who had followed the mob a considerable distance to the spot where the diabolical deed was perpetrated, was rudely insulted and violently treated in the affray.

I am the person referred to. Thinking it not right to let such an act pass without an effort at redress, I brought suit against several persons who committed the deed, in Kent County Court, which was to commence October 18, 1858. On the 14th inst—having been invited to do so by the State's Attorney, who assured me that my person should be protected—taking my wife with me, I returned to the neighborhood whence I had been driven, to prosecute the suit. I stopped at my sister's house, adjoining my own property, and it soon became known that I was in the place, prepared to prosecute my persecutors. On Saturday, the 16th, late in the day, the slaveholders met, as I am informed, at E. T Chamber's office, at Chestertown, and concocted a scheme to meet at my residence, or my sister's, at early dawn on Monday, and to take me from the county at all risks. At the appointed time, they surrounded the house where we then were, and where my wife had given birth to a child but two days before.

My sister going to the window, the mob demanded me. On being forwarned to leave the house, notwithstanding their knowledge of my wife's extreme prostration, they made preparations for forcible entrance, with determined threats to tear the house down if I did not come out. Under certain solemn promises of protection to myself, and of attention to be rendered to my wife—whom I can hardly hope again to see alive, after such great excitement in her prostrate condition—I agreed to go with the Hon. J. B. Ricaud, T. Skirvan and Louis Usilton, and was by them conveyed to the railroad depot.

The names of the persons concerned in this deed, so far as I saw and at present recollect, are as follows: Horace Beck, Isaac Perkins, John Beck, G. W. T. Perkins, John T. Skirven, Frank Cann, Ben Cann, J. B. Ricaud, Louis Usilton, Abel J. Reese, John Frank Usilton, Little John Gale, James W. Skirven, Wm. P. Francis, Wm. B. Wilmer, Wm. Parker, George W. Spencer, John Wetherhead, Benton Sutton, Nathaniel Comegys, ——— Oldham, R. Jones, Jerry Nichols, Wm. K. Stevens, Josiah Ringold, Samuel Rosenbury, Sewell Hepburn, Raynor Stavely, Adolphus Wallace ——— Wallace, Emory Sundlor, Ezekiel Weeks, Lewis M. Hepburn.

Some if not all, of these were armed with guns or pistols. Two of the above agreed to accompany me out of the State, viz: Louis Usilton and the Hon. J. B. Ricaud, member of Congress. The mob sent, in addition, the following persons: George W. Spencer, Adolphus Wallace and his brother, John Wetherhead, Benton Sutton, and one other, whom I do not remember, well armed with guns and revolvers. They proceeded, in four carriages, to Middletown, Del., and saw me placed in the cars for Wilmington, Del., whence I came to this city, where I am now staying.

I will admit that I am a member of the Society of Friends, but I have never been a member of any Abolition Society, although my father was a member of the Kent County, (Md.,) Abolition Society, as was also the father of Judge Chambers. No funds have ever been placed in my hands for any Anti-Slavery purpose whatever. The statement made in the Kent *News*, and copied into other Maryland papers, abounds in falsehoods.

I submit to you, Mr. Editor, this simple statement of facts, leaving to your readers to make their own comments. JAS. L. BOWERS.

THE IMPORTANCE OF REGULARITY.—It is highly important that mankind should observe strict regularity in all the affairs of life. Regularity induces health—Irregularity produces disease. Most people are particular about eating at regular hours—retiring to rest at regular hours—rising at a regular time—and we should be equally as particular about discharging, from the bowels, the fecal and acrimonious humors of the body at a regular hour—to empty the bowels of their contents at a regular time. If mankind would observe this great and important duty, and prepare their bowels to more regularity, they would avoid much sickness. Radway's Regulators induce Regularity. They regulate every organ to regular action. The Liver, Pancreas, Kidneys, Heart, Skin, Bowels, and all other organs, will, after the action of Radway's Regulators, move with all the regularity of clock work. Persons troubled with Costiveness, Indigestion, Dyspepsia, &c., will find, that, by taking one of Radway's Regulators every night, on going to bed, they will have a pleasant discharge of the bowels in the morning at a regular period of time. One Regulator will regulate—three will purge.

Sold by Druggists everywhere.

R. R. R. is sold by C. HARRINGTON, BOSWORTH & SON, L. P. LAKE, and J. H. TESCH, Milwaukee, and by Druggists everywhere. oct76daw2w

TO THE PUBLIC.

In answer to the numerous letters addressed to me on the subject of the Mustang Liniment, I would say that I have had no connection with that article for several years. It was invented by me, and while put up under my control and supervision, was universally accepted by the public, as the best liniment in the world. In 1854 I sold out my interest in it to other parties, and since that time it has passed through the hands of several persons, most of whom have been so unscrupulous as to manufacture it of inferior and cheaper Articles, and thus to entirely destroy its value as a medical remedy, trusting for success in selling to its former highly established reputation. Its present proprietors have gone so far as to substitute other Articles in its composition for those in the original prescription, so that the Mustang Liniment now vended possesses no one of the distinguishing characteristics of the genuine article, as it was originally invented and manufactured by me. These parties, to enable themselves with more facility to foist their worthless and injurious article on the public, use *my name* as its founder, calling it "Bragg's" Mustang Liniment, and cautioning the public to beware of any other Bragg's Liniment as an imposition. This is done with a view of exciting a prejudice against "BRAGG'S ARCTIC LINIMENT," an article more recently invented by me, and possessing all the virtues of the original Mustang, with some improvements—the result of experience and later discoveries—and manufactured by Bragg & Burrowes, which firm is composed of my son, Oliver T. Bragg, and Michael Burrowes. This article is superior in many respects to the Mustang, when it was put up pure and in good faith, and is immeasurably superior to the article now vended as the Mustang Liniment. It is also the only liniment manufactured to which my name is appended by my authority or consent. In conclusion, I cannot hold myself responsible for any of the evil results of using the Mustang Liniment now vended, and especially after this public disclaimer of any connection with its proprietorship or manufacture.
Respectfully, A. M. BRAGG, M. D.

GRAIN CLEANER & SEPARATOR
HORTON'S PATENT
G. B. BINGHAM & BRO.,

THIS MACHINE is of recent invention, and surpasses all others in use for its perfections as a thorough Separator and Scourer. It has given entire satisfaction in New York, Pennsylvania and other States where it has been introduced, and we are confident it is better adapted to the cleaning of Western grain than any other ever introduced into this State. It is fire proof, not liable to get out of repair, requires but little power to run it, and the scouring cylinder so constructed as to render it unnecessary to be renewed for years. We respectfully invite all Western Millers to give us a call, and examine our machine, at the Bay State Foundry, Florida st., Milwaukee, Wis. feb10f976d1y

VICTORIOUS OVER PAIN.
BRAGG'S ARCTIC LINIMENT.

Agony or ease!—Sickness or health!—Life or death! These are the questions involved in the adoption or rejection of this specific by the martyrs to external diseases and injuries. Having received the indorsement of the distinguished *savan*, the late Dr. KANE, and its efficacy tested during two awful Winters in the regions of eternal ice, it is now coming into general use in every section of the civilized globe, and its marvelous cures are everywhere exciting astonishment.

THE AFFLICTED REJOICE.

HUNDREDS and THOUSANDS have tested its virtues, and are rejoicing in freedom from long lingering PAIN and DISEASE, which other remedies had failed to cure. Have you the BRONCHITIS, NEURALGIA, RHEUMATISM, SCROFULA, EAR-ACHE or TOOTH-ACHE—Are you afflicted with OLD SORES—Suffering from BRUISES, SPRAINS, CORNS, SORE EYES, PILES?
THE ARCTIC LINIMENT
will afford you instant relief.
Everybody is liable to

BURNS AND SCALDS.

For these dreadful accidents the ARCTIC LINIMENT should be kept on hand, for it affords sure and immediate relief, often saying from death. Every steamboat and railroad train should keep it. Who that has heard the shrieks of anguish uttered by the scalded and maimed victims of explosions and collisions, does not feel that some means of relieving their torture should always be accessible? Such does exist in this balmy pain controlling agent. It is

THE MOTHERS' COMPANION.

It cures CAKES IN THE BREAST, SORE NIPPLES, SORE LIPS, PIMPLES, &c. Ladies who prize a pure skin void of pimples, blotches, scurf and all discolorations and excrescences, should attack these trespassers on beauty's domain as soon as they appear with the ARCTIC LINIMENT. It is excellent for the Hair, giving it a healthy, glossy appearance. It is

GOOD FOR MAN AND BEAST.

It is a sovereign remedy for the various diseases with which horses are afflicted, curing the most alarming cases of BRUISES, SPRAINS, STRING-HALT, WOUNDS, SCRATCHES, SWEENY, SPAVIN, RING-BONE, BIG-HEAD, POLL-EVIL, &c. No farmer, livery stable keeper, or any person owning valuable HORSES, should be without this valuable remedy.

For sale by all respectable Druggists and Dealers.

Prices of the Liniment, 25 cents, 50 cents and $1 a bottle. A one dollar bottle contains as much Liniment as eight twenty-five-cent bottles.

EXTRAORDINARY ANNOUNCEMENT.

Every purchaser of a dollar bottle of the ARCTIC LINIMENT receives, at Dr. Bragg's expense, the UNITED STATES JOURNAL, of New York, for one year. The Journal is a large illustrated paper—each number containing sixteen pages, beautifully printed on clear white paper, and filled with original matter from the most brilliant writers of the country. Certificate of subscription and full particulars of the novel and philanthropic enterprise, of which this offer forms a part, will accompany each bottle.

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has, in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. *It is now offered to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.*

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit and infusing new health and vigor in the system.

READ CAREFULLY!—The Genuine, highly concentrated Boerhave's Holland Bitters is put up in half-pint bottles only, and retailed at ONE DOLLAR per bottle. The great demand for this truly wonderful Medicine has induced many imitations, which the public should guard against purchasing.

Beware of Imposition! See that our name is on the label of every bottle before you buy.

THE LIVER
INVIGORATOR!
PREPARED BY DR. SANFORD,
COMPOUNDED ENTIRELY FROM GUMS,

IS one of the best purgative and Liver medicines now before the public, that acts as a *Cathartic*, easier, milder and more effectual than any other medicine known. It is not only a *Cathartic*, but a *Liver remedy*, acting first on the *Liver* to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most *Cathartics*. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The LIVER is one of the principal regulators of the human body; and when it performs its functions well the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the *Liver* for the proper performance of its functions; when the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the LIVER—having ceased to do its duty. For the diseases of that organ, one of the proprietors has made it his study, in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with LIVER COMPLAINT, in any of its forms, has but to try a bottle, and conviction is certain.

These Gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, PURIFYING THE BLOOD, giving tone and health to the whole machinery, removing the cause of the disease, effecting a radical cure.

BILIOUS ATTACKS are cured, AND WHAT IS BETTER, PREVENTED, by the occasional use of the LIVER INVIGORATOR.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring prevents NIGHTMARE.

Only one dose taken at night, loosens the bowels gently, and cures COSTIVENESS.

One dose taken after each meal will cure DYSPEPSIA.

One dose of two teaspoonfuls will always relieve SICK HEADACHE.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves CHOLIC, while

One dose often repeated is a sure cure for CHOLERA MORBUS, and a preventive of CHOLERA.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for JAUNDICE removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.

One dose often repeated cures CHRONIC DIARRHOEA in its worst forms, while SUMMER and BOWEL complaints yield almost to the first dose.

One or two doses cures attacks caused by WORMS in Children; there is no surer, safer, or speedier remedy in the world, as it *never fails.*

A few bottles cures DROPSY, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for FEVER AND AGUE, CHILL FEVER, and all FEVERS of a BILIOUS TYPE. It operates with certainty, and thousands are willing to testify to its wonderful virtues.

ALL WHO USE IT ARE GIVING THEIR UNANIMOUS TESTIMONY IN ITS FAVOR.

MIX WATER IN THE MOUTH WITH THE INVIGORATOR, AND SWALLOW BOTH TOGETHER.

THE LIVER INVIGORATOR

IS A SCIENTIFIC MEDICAL DISCOVERY, and is daily working cures almost too great to believe. It cures as if by magic, *even the first dose giving benefit*, and seldom more than one bottle is required to cure any kind of LIVER Complaint, from the worst *Jaundice* or *Dyspepsia* to a common *Headache*, all of which are the result of a DISEASED LIVER.

PRICE ONE DOLLAR PER BOTTLE.

A Card. James Dr. from M. Jarrett,

OF THE NEW YORK LUNG INFIRMARY.—My connection for the past eight years with the above Institution, as Chief Physician, and a twelve years' course of steady devotion to the cure of Pulmonary Consumption and its kindred diseases, together with my unrivalled opportunities and advantages of pathological research—aided, not a little by a perfect system of *Medical Inhalation*—has enabled me to arrive at a decisive, direct, and successful course of treatment for the positive cure of all diseases of the *Throat, Lungs, and Air-Passages.* By Inhalation, the vapor and curative properties of medicines are directly addressed to the diseased organs and the integument. I do not advise the use of Medical Inhalation of any kind, to the exclusion of *general treatment*; and although I consider it a useful adjuvant in the proper management of those fearful and often fatal diseases, yet I deem it very necessary that each patient should have the benefit of both *general* and local treatment. The success of my treatment in the above diseases, and the high character of the Institution over which I have so long had the honor to preside, are too well known to need any eulogy or comment from me. At the solicitation of many private and professional friends, through whose philanthropic aid the above charity has been long and liberally supported, after due consideration, I have concluded to make such arrangements as will bring benefits of my experience and treatment within reach of all, and not to confine myself, as heretofore, to those only who entered the Infirmary, or who were able to visit me at my office. Hoping therefore that the arrangement will give entire satisfaction, both to my professional brethren and the public, I would respectfully announce in conclusion, that *I can now be consulted personally or by letter*, on all diseases as above, and that the medicines, the same as used in the Institution, prepared to suit each individual case. *Inhaling Vapors, Medical Inhalers, &c., &c.,* will be forwarded to any part of the United States or the Canadas. Terms—My terms for treatment by letter are as follows, viz: $12 per month for each patient, which will include medicine sufficient for one month's use; also, Inhaling Vapor, and an Inhaling Apparatus. Payment as follows: $6 to be paid to Express Agent on receipt of the box of Medicine, and the balance $6 at the expiration of the month, if the patient be cured or is entirely satisfied with the treatment. Patients, by giving a full history of their case, and their symptoms in full, can be treated as well by letter as by personal examination. Patients availing themselves of Dr. Jarrett's treatment may rely upon immediate and permanent relief, as he seldom has to treat a case over thirty days. Letters for advice promptly answered. For further particulars address JAMES M. JARRETT, M. D.,
No. 820 Broadway, cor. Twelfth st., N. Y.

P. S.—Physicians and others visiting the city are respectfully invited to call at the Infirmary, where many interesting cases can be witnessed, and where our *improved apparatus* for the inhalation of medicated vapor can be seen and inspected. sep3h1436mo

Private and Confidential Medical Advice,

AT the MILWAUKEE VENEREAN HOSPITAL, established for the cure of Syphilis, Seminal Weakness, and the infirmities of youth and maturity, by Dr. BARNES.

Dr. BARNES takes pleasure in announcing to the citizens of Milwaukee and other places, that his office is at No. 12 Wisconsin street.

READ AND REFLECT.—The afflicted would do well to reflect before trusting their health, happiness and in many cases, their lives, in the hands of physicians ignorant of this class of maladies. It is certainly impossible for one man to understand all the ills the human family are subject to.

YEARS OF PRACTICE, exclusively devoted to the treatment and study of Syphilis, Gonorrhoea, Gleet Strictures, effect of solitary habits, ulcers upon the body, throat, nose or legs, pain the head or bones, and all Mercurial Affections, and all impurities of the blood whereby the constitution has become enfeebled, enables the Doctor to offer relief to all who may place themselves under his care.

Dr. B. makes no charges for short consultations.—Those requiring much advice should enclose a small fee sufficient to compensate for the time required to write the answer.

COMMERCIAL & FINANCIAL.

OFFICE OF THE DAILY SENTINEL,
Monday Evening, Nov. 1, 1858.

MONEY MATTERS.—There is no change to speak of in the money market. Good business paper can be negotiated at the usual Bank rates without difficulty. Exchange is selling at previous rates, and the market is wel supplied. We quote as before:

The intolerable state of the weather, together with the excitement consequent upon the near approach of election, tend to depress business generally. Flour remains unchanged. CHICAGO MARKET.

CHICAGO, Nov. 1.

The encouraging aspect of the Eastern Markets has induced an animation in our own, which compares most favorably with the dulness and inactivity which have prevailed during the past week or two. The market opened quiet this morning, at ½a1c decline on Saturday night's closing price for No. 2 Spring, but firmer and more buoyant for the higher grades. Before the close, however, prices for all grades had advanced 1a1½c, closing very firm. About 28,000 bus all grades changed hands.

The offerings of corn are not yet sufficiently liberal to render the market animated; and though there is no lack of buyers, the sales are but trifling. Some 3,000 bus in all sold this morning, at an advance of 1c on Saturday's figures for Nos. 1 and 2 Railroad in store. No Canal offered.

There is no change to note in the minor grains. Flour is more active and a shade firmer; some 700 bbls having sold since our last.

No movement in Lake Freights.—*Journal of last evening.*

AYER'S CATHARTIC PILLS.

THE following remedies are offered to the public as the best, most perfect, which medical science can afford. AYER'S CATHARTIC PILLS have been prepared with the utmost skill which the medical profession of this age possesses, and their effects show they have virtues which surpass any combination of medicines hitherto known. Other preparations do more or less good; but this cures such dangerous complaints, so quick and so surely, as to prove an efficacy and power to uproot disease beyond anything which men have known before. By removing the obstructions of the internal organs and stimulating them into a healthy action, they renovate the fountains of life and vigor—health courses anew through the body, and the sick man is well again. They are adapted to disease, and disease only, for when taken by one in health they produce little effect. This is the perfection of medicine. It is antagonistic to disease, and no more. Tender children may take them with impunity. If they are sick, they will cure them, if they are well they will do them no harm.

Give them to some patient who has been prostrated with bilious complaint; see his bent-up, tottering form straighten with strength again; see his long-lost appetite return; see his clammy features blossom into health. Give them to some sufferer whose foul blood has burst out in scrofula till his skin is covered with sores; who stands, or sits, or lies in anguish. He has been drenched inside and out with every potion which ingenuity could suggest. Give him these PILLS and mark the effect; see the scabs fall from his body; see the new, fair skin that has grown under them; see the late leper that is clean. Give them to him whose angry humors have planted rheumatism in his joints and bones; move him, and he screeches with pain; he too has been soaked through every muscle of his body with liniments and salves; give him these PILLS to purify his blood; they may not cure him, for, alas! there are cases which no mortal power can reach; but mark, he walks with crutches now, and now he walks alone; they have cured him. Give them to the lean, sour, haggard dyspeptic, whose gnawing stomach has long ago eaten every smile from his face and every muscle from his body. See his appetite return, and with it his health; see the new man. See her that was radiant with health and loveliness blasted and too early withering away; want of exercise, or mental anguish, or some lurking disease has deranged the internal organs of digestion, assimilation, or secretion, till they do their office ill. Her blood is vitiated, her health is gone. Give her these PILLS to stimulate the vital principle into renewed vigor, to cast out the obstructions, and infuse a new vitality into the blood.—Now look again—the roses blossom on her cheek, and where lately sorrow sat joy bursts forth from every feature. See the sweet infant wasted with worms. Its wan, sickly features tell you without disguise, and painfully distinct, that they are eating its life away. Its pinched up nose and ears, and restless sleepings, tell the dreadful truth in language which every mother knows. Give it the PILLS in large doses to sweep these vile parasites from the body. Now turn again and see the ruddy bloom of childhood. Is it nothing to do these things? Nay, are they not the marvel of this age? And yet they are done around you every day.

MORE TO BE ADMIRED THAN THE

RICHEST DIADEM

EVER

Worn by Kings or Emperors.

WHAT? WHY A BEAUTIFUL HEAD OF HAIR.

Because it is the ornament *God Himself* provided for all our race. Reader, although the rose may bloom ever so brightly on the glowing cheek, the eye be ever so sparkling, the teeth be those of pearls, if the head is bereft of its covering, or the hair be snarled and shriveled, *harsh* and *dry*, or worse still, if sprinkled with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the celebrated Pianist, Thalberg:

DR. WOOD:— NEW YORK, April 19th, 1858.

Dear Sir: Permit me to express to you the obligation I am under for the entire restoration of my hair to its original color. About the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your Hair Restorative, it soon recovered its former hue. I consider your Hair Restorative as a very wonderful invention—quite efficacious as well as agreeable,

I am, dear sir, yours truly,
S. THALBERG.

"Drych a'r Gwyliedydd."
WELSH NEWSPAPER OFFICE,
113 Nassau st., April 12, 1858.

PROF. O. J. WOOD—*Dear Sir:* Some month or six weeks ago I received a bottle of your Hair Restorative and gave it to my wife, who concluded to try it on her hair, little thinking at the time that it would restore the gray hair to its original color; but to her, as well as my surprise, after a few weeks' trial it has performed that wonderful effect by turning all the gray hair back to brown, at the same time beautifying and thickening the hair. I strongly recommend the above Restorative to all persons in want of such a change in their hair.

CHARLES CARDEW.

NEW YORK, July 25, 1857.

PROF. O. J. WOOD: With confidence do I recommend your Hair Restorative, as being a most efficacious article I ever saw. Since using your Hair Restorative my hair and whiskers, which were almost white, have gradually grown dark; and I now feel confident that a few more applications will restore them to their natural color. It has also relieved me of all dandruff and unpleasant itching, so common among persons who perspire freely.

J. G. KILBY.

PROF. WOOD—About two years ago my hair commenced falling off and turning gray; I was fast becoming bald, and had tried many Remedies to no effect. I commenced using your Restorative in January last. A few applications fastened my hair firmly. It began to fill up, grew out, and turned back to its former color, black. At this time it is fully restored to its original color, health and appearance, and I cheerfully recommend its use to all.

J. D. HOES.

Chicago, Ill., May 1, 1857.

The Restorative is put up in bottles of 3 sizes, viz: large, medium and small; the small holds ½ a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for $3.

MEDICAL.

R. R. R.

"Magna est Veritas et prevalebit."

THE *wonderful discoveries brought to light by the celebrated Dr. Radway & Co., the eminent Chemists of New York, within the past quarter of a century, have contributed more to the ease, comfort, safety, health and longevity of the human race than all other medicinal agents in use.*

RADWAY'S READY RELIEF,

The first of these important and valuable discoveries startled the world with wonder and surprise at its rapid efficacy in curing the sick and stopping the most tormenting pains.

The next discovery was the RENOVATING RESOLVENT; *the only remedy in use that possesses the remarkable properties of eradicating from the system all constitutional maladies inherited by sickly children of diseased parents. These discoveries however, are but* LESSER LIGHTS *to the* GREAT GRAND DISCOVERY *recently made and which is calculated to revolutionize the the present practice of medicine and treatment of disease. The result of this great discovery is given to the world in the form of* PILLS *elegantly coated with Gum so as not to offend the most delicate stomachs. They neither sicken nor gripe. Every dose that is taken imparts renewed strength and vigor to the sick and enfeebled body. They are called*

RADWAY'S REGULATING PILLS.

R. R. R.

RADWAY'S READY RELIEF.

1. One of the most remarkable properties which this all-powerful remedy possesses, is that of ELECTRICITY. It truly electrifies the whole human system with its healthful influence. Its action upon the poisonous gases of malaria, whether it be the infecting effluvia of Yellow, Typhus, *Swamp*, Measles, Scarlet, or other Malignant Fevers, or *Fever Ague*, Bilious Fever, Cholera, Diarrhoea, Dysentery, Flux; or whether the stomach becomes inflamed and irritated from the poisonous extracts of acid plants, tainted meats, unripe fruit, or green vegetables, a dose of Radway's Ready Relief will instantly neutralize the poisonous elements that may be in the stomach, allay the most violent inflammation and fortify the whole system against sickness or painful difficulties.

In all cases, therefore, of Cholera, Cholera Morbus, Flux, Fevers, &c., there is no remedy so safe and certain to take as Radway's Ready Relief. Its electrical powers will, the instant it is taken, *charge the system with health and vigor.*

2. AS A COUNTER-IRRITANT, withdrawing the congested blood, which, in cases of Rheumatism, Lumbago, Gout, Neuralgia, Sciatica, inflicts so much pain upon the patients—it acts with the rapidity of lightning the instant the Relief is rubbed on the parts of the body where there is pain—it re-establishes an equalization of the circulation of the blood—congestion being withdrawn, inflammation is removed, and pain ceases.

3. AS A DIFFUSIVE STIMULANT.—In cases of Weakness, Languor, Debility, Depression of Spirits, Restlessness, Melancholy, Tremblings, Hysterics, &c., it diffuses its healthful tonic properties throughout the whole system. It revives and re-invigorates the aged, crippled, infirm, and nervous.—It imparts new life and strength. Weak and feeble females; who, from continued suffering with *weakening discharges*, are wasting away, Radway's Ready Relief will restore to a sound and healthy condition.

4. ITS CLEANSING AND HEALING PROPERTIES are quickly proved in cases of *wounds*, gun shots or stings, bites of dogs, snakes, insects, &c. The moment Radway's Ready Relief is applied to the pained parts, it neutralizes the poison, arrests the spread of the infection, allays inflammation, and prevents mortification.

5. AS A BODY-GUARD TO PREVENT the system against sudden attacks of sickness, especially when epidemics prevail, or in cases of sudden Cramps in the stomach or bowels, Bilious Cholic, Fevers of all kinds, a dose of Radway's Ready Relief will check the progress of the disease and prevent serious difficulties.

6. EXPOSURE TO HEAT—CEREBRAL DIFFICULTIES.—Persons who are obliged to be exposed to the hot rays of the sun, should, when they feel Sun-sickness, Headache, etc., take a dose of the Relief, also bathe the head with some water—this will settle and strengthen the stomach and withdraw the heated blood from the head—and equalize its circulation through the system.

7.—Every family should provide themselves with Radway's Ready Relief. If accidents occur, either from Falls, Burns, Scalds, Bruises, Wounds, etc., one application of the Ready Relief will immediately stop the pain, prevent inflammation or mortification.

RADWAY'S REGULATING PILLS.

[From the N. Y. Medical Journal.]

THE GREAT GRAND DISCOVERY.

A SINGULAR POWER RECENTLY DISCOVERED AND COMBINED WITH RADWAY'S REGULATING PILLS.—The celebrated Dr. Radway has recently succeeded in obtaining a nutritious extract, so concentrated, that a dose of six pills will furnish the same amount of nutrition to the blood as is given to the blood by an ounce of ordinary bread. This nutritious extract he has succeeded in combining with Radway's Regulating Pills, so that while the system is undergoing a thorough physicing, cleaning, purifying and regulating process, the weak, enfeebled, debilitated and worn out organs receive a healthful nourishment.—This great discovery is invaluable. Heretofore, under the influence of the most innocent and best purgatives, Pills, etc., the patient grew weak and debilitated. In cases of Yellow Fever, Typus Fever, Scarlet Fever and other malignant fevers, Small Pox, Erysipelas, etc., the patient is unable to partake of sufficient nourishment to keep alive.

RADWAY'S REGULATING PILLS will entirely revolutionize the treatment of the sick afflicted with these maladies; for one or two of Radway's Regulating Pills will give to the wasting body sufficient nourishment as well as exterminate every particle of disease from the system. Another great power which these Pills possess is that of regulating the organs of the system in performing their duties. The Stomach, Kidneys, Liver, Skin, Bladder, Heart and Bowels, are each of them regular and exact in the performance of their several functions; so that those who take these Pills, however *Costive* they may be, will enjoy *the luxury* of a healthful discharge from their bowels every day, at a regular and exact hour.

RADWAY'S RENOVATING RESOLVENT.

The discovery of this wonderful Renovator of the Human Body secures to medical science a new medicinal property.

It not only cures quickly, safely and effectually the following disorders:

HUMORS OF THE BLOOD.

Scrofula,
Syphilis,
Sores,
Asthma,
Bronchitis,
Ulcers,
Tumors,
Consumption,
Rickets,
Nodes,
Fever sores,
Erysipelas,
Bleeding of Lungs,
St. Vitus Dance,
Salt Rheum,

It renovates the system completely, Resolving away from the Solids all impure Poisonous and Diseased Deposits, freeing the Blood and Fluids of Life from all corrupt humors, restoring Energy and Vigor, Health and Strength to every Organ and Member of the body, but will eradicate from the system all Constitutional Maladies and Infirmities inherited by sickly children of diseased parents.

Let those affected with any disease, Scrofula, or Constitutional Infirmities, take Radway's Renovating Resolvent.

THE GREATEST

MEDICAL

DISCOVERY

OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

EVERY KIND OF HUMOR,

FROM

THE WORST SCROFULA DOWN TO A COMMON PIMPLE.

He has tried it in over eleven hundred cases, and never failed except in two cases, both thunder humor. He has now in his possession over one hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of biles.

Two bottles are warranted to cure the worst canker in the stomach.

Three or five bottles are warranted to cure the worst kind of Erysipelas.

One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin.

Two or three bottles are warranted to cure the worst kind of ringworm.

Two or three bottles are warranted to cure the most desperate case of rheumatism.

Three or four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

ROXBURY, Mass.

DEAR MADAM:—The reputation of the Medical Discovery, in curing all kinds of humors, is so well established, by the unanimous voice of all who have ever used it, that I need not say anything on the subject, as the most skillful physicians and the most careful Druggists in the country are unanimous in its praise.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative powers, in relieving all, and curing most of the diseases to which you are unfortunately so liable. That most excruciating disease to an affectionate mother,

NURSING SORE MOUTH,

is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and sweet slumbers; and the Medical Discovery becomes a fountain of blessings to your husband and household.

In the more advanced stages of

CANKER

it extends to the stomach, causing

DYSPEPSIA

which is nothing but canker on the stomach; then to the intestines and

KIDNEYS

creating a sinking, gone feeling, and an indifference even to the cares of your family.

Your stomach is

RAW AND INFLAMED,

your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains, as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best day is gone. For want of nourishment your system becomes loose and flabby, and the fibres of your body become relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to

CURE;

Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip-joint when you retire, irregularity of the bowels, and also that most excruciating of diseases the

PILES.

How many thousands of poor women are suffering from this disease and pining away a miserable life, and their next door neighbor does not know the cause. I wish to impress on your mind that good old proverb, "an ounce of prevention is better than a pound of cure." In the

MEDICAL DISCOVERY

you have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you an injury. Yours truly,

DONALD KENNEDY.
